Series 8700

Double-Hung, Tilt-Sash

- Aluminum-reinforced, multi-cavity construction provides additional thermal performance and structural integrity
- 7/8" insulating glass provides exceptional thermal performance in any climate
- Fusion-welded sashes and frame add strength and enhance thermal performance
- Positive-action deluxe cam lock with security button enhances safety
- Beveled mainframe adds the stylish look of a true brick mould appearance
- Constant force coil balance permits easy sash movement
- Spring-loaded night latches allow sash to be positioned for comforting ventilation
- Interlocking sashes help seal out drafts
- *Full screen is standard, removable from inside
- Dual-fin weather-stripping helps retard air infiltration
- Rubber bulb seal helps block air infiltration
- Low-E Glass and insulating Argon Gas provide superior thermal efficiency that is Energy Star Compliant
- Slim-line lift rails make it easy to operate the sashes
- Rounded sashes create a more elegant finish to complement the interior of your home
- Sloped sill helps reduce air infiltration and allows for easy water run-off
- Jamb depth 3.250"
